Golf News

The July scramble hasn't happened yet (as I write this) but we tried a tee-time start at the June scramble at Highlands (and everyone finished before me, well they all teed off before me too).

We're venturing away from 18-hole golf courses (like our scramble at Woodbine GC is supposed to be) till our club gets bigger again and planning events at smaller courses.

Valley View GC will be the exception (but we will still play a shotgun start).

I'm going to keep it quiet for now but we're playing somewhere especially nice on Sweater Day on Sunday, October 2nd.

Here are the details for our next event in August.

August Scramble:

Valley View Golf Course

When: August 20th

Time: 9:30 AM Shotgun

Cost: \$56 Members and \$62 Guests

Modified Shotgun Start (no tee-times)

Price includes: Golf, Cart, Prizes and Luncheon afterwards

POOL LEAGUE

Pool News

Our Fall OSC Pool Session will have sign-ups on the website in mid-August with the 12-week season starting in September and running through the first week of December.

There's nothing better to do in the fall than Pool League! We plan on league fees being around \$25 each for members again, two person teams, 7PM Thursdays at Big John's Billiards, and yes, that is 8 games of 8 Ball per night for 12 weeks = 96 games! Great deal.

We will split the league into divisions if we get enough sign-ups, and it is handicapped, so don't be afraid to try it. The rules are posted on the OSC web site. Still have questions? Call, text, or email me. Maybe we can meet on a Monday and practice a few games....

Watch for the notifications on the web site, in your email, and on the Omaha Sports Club Facebook page! Good fun, and good people sign up for OSC Pool. Be one of them! Big John's let us play pool for free on Monday nights all year long, too. Just let them know you're a Sports Club member.

See you at Big John's!

Softball News

2022 Fall Softball Session - Softball signups for the Fall have begun and are in the STORE now for purchase. If you missed the early signup deadline, don't worry there is still time to get into Fall Softball. The final signup deadline is set for August 7th. This allows time for getting the teams registered with UBA (Ultimate Baseball Academy) who organizes the City Softball and manages the fields and game times.

You do not have to be an Olympic star to be on our softball teams; you just have to want to have FUN and then maybe play hard while on the field. The cost to play will be \$58 (late deadline August 7th) which covers the league fees, softballs, umpires fees, and a small end of season softball party.

When signing up to play, we draft the players onto teams based on skill levels so that teams are as balanced as we can possibly make them. This means meeting and playing with new people possibly each session which adds to the fun especially if you like meeting people. It is fun to then watch how quick 12 new players can develop such good teamwork!

Summer softball will come to an end on July 24th with the tournament being played on August 7th. At this time both teams have the same win/loss record of 6/5 which proves how well the draft system works at balancing the teams. We had our Season End party for the summer teams on July 17th, a few weeks before the season ended because both teams were playing the 6:30 game times and this worked out best for most players being able to attend. If you would have stopped by at Boondocker's you would have seen that Softball Players know how to have a good time and party hardy.

Back to fall softball if you are interested in joining our teams, please go to the Sports Club website and register as soon as possible. Please don't miss the deadline or get signed up at the end of the list. If we have more signups of one sex or the other, extras may not get to play and will be added to the sub list because we use 6 men and 6 women per team. Games will start on August 28th with game start times being 6:30 - 8:30 (possibly 9:30 depending on how many fall teams). All games will be played at Kelley Field on 124th and Fort Street. First Come First Served. For quickest signup, go online at www.omahasportsclub.com, create an account, and then purchase the "SOFTBALL" sport and any other sports you would like to play in the store

If you would like to be a softball sub on one of the teams or if you have any questions about softball, please email me at mbmenke@cox.net with "Softball" in the subject line.

Hope to see you on the Softball Fields this fall.
