

2023 Fall Softball Players – Time to get signed up to play

As we are nearing the end of our summer softball session, be thinking of our Fall Softball sign up dates. Teams are already forming for the fall session. Sunday night softball will start on August 27th and games will be played at Kelley on 124th and Fort Street. The season will consist of 7 games and a season end (pizza) party. We normally do not play on Holiday weekends but should be playing all other Sundays. Game start times range from 6:30 to 8:30 pm. The price to play will be \$44 by early signup deadline (July 24th, 2023) or \$55 by late signup deadline (August 7th, 2023) which covers the registration and umpire fees, softballs and the season end party. There will be 6 males and 6 females on each team. Players are placed on teams using a draft system based on skill levels to best balance the teams for best team competition.

If you want to play now is the time to reserve your spot by getting your application in early. First Come First Served and you will get to play for sure (if limited number of tickets is not SOLD OUT). The quickest way to sign up is to go to the omahasportsclub.com website and purchase a ticket for the Softball Sport in the website store. If you are not currently an OSC member then you can go to the website and select "Become a Member" to join. You must be a member of the Omaha Sports Club to play softball. If you know of any other interested softball players please share this information with them.

How did you find out about OMAHA SPORTS CLUB Softball? _____

If you are not a current Omaha Sports Club member, you will need to join the club for a yearly membership cost of \$25. Membership will give you access to play in other Omaha Sport Club sports at their league fees (Golf, Pool, Darts, Volleyball, Pickle-ball). Included as part of your membership is the OSC Annual Affair gathering in December which might be free to members. You must be 21 years of age to join the Omaha Sports Club.
