

2024 Softball Players – It's time to start thinking Softball

The snow may not be gone and the temperatures may not seem like softball weather but it is time to sign up for your summer softball activity. Teams are already forming for the summer session. Sunday night softball will start on April 7th or 14th and games will be played at Kelley on 124th and Fort Street. The season will consist of 12 games with a tournament following (weather permitting) and a season end (pizza) party. We normally do not play on Holiday weekends but should be playing all other Sundays. Game start times range from 6:00 to 9:00pm. The price to play will be \$76 by early signup deadline (February 11th) or \$91 by late signup deadline (March 10th) which covers the league, umpire, tournament fees, softballs, season end party and maybe a ballpark cookout party. There will be 6 males and 6 females on each team. Players are placed on teams using a draft system based on skill levels to best balance the teams for best team competition.

If you want to play reserve your spot by getting your application in early. First Come First Served guarantees you get to play for sure (if limited tickets are not SOLD OUT) Quickest way to sign up is to go to the omahasportsclub.com website and purchase a ticket for the Softball Sport in the website store. If you are not currently an OSC member then you can go to the website and select "Become a Member" to join. You must be a member of the Omaha Sports Club to play softball. If you know of any other interested softball players, please share this information with them.
